COMFORT GIFTS

give a gift and change a life

Why Comfort Gifts?

Comfort International has been working since 1999 to alleviate poverty and trauma in Rwanda, D.R.Congo, Burundi, Uganda and South Sudan. By sending a Comfort Gift to someone special, you will not only be giving a gift that shows your care for them, but you will also be transforming a life in Rwanda, D.R.Congo, Burundi, Uganda or South Sudan.

How Do I Buy A Comfort Gift?

Choose the gift and card you would like to give, then fill out the order form and send it together with the appropriate payment to the Comfort International office OR go online to comfortinternational.org/shop/comfort-gifts/ and follow the instructions.

What Do I Receive?

A greetings card or Christmas card with a small information card detailing the gift & project will be sent to you for you to give to your friend or loved one.

Where Does The Money Go?

Comfort International will forward the money to Rwanda, D.R.Congo, Burundi, Uganda or South Sudan to purchase the gift of your choice for those who need it most.

"My name is Jean de Dieu. I was rescued by Comfort Rwanda after a number of years on the streets. Being allowed back to school built my hope again. I was able to go to school after my father abandoned me while my mother had no job. I am now future focused and full of hope to become a business man. I am now in secondary 1 and I love the fact that the project provides all I need for my schooling."

COMFORT BABIES

Our Comfort Babies projects rescue the most vulnerable mothers with their babies. We aim to encourage and support them in a community environment to a point where they can support themselves and their child and move into the future with hope and purpose. You can support this project by contributing to the cost of safe accommodation or by paying for a nursery school place which allows the mother time to study or run her business.

They will go on to influence churches and communities all across their nations. Your gift will help a low income pastor attend one of the eight teaching weeks which are spread throughout the year.

CENTRAL HOSPITAL RUSAYU

The Central Hospital Rusayu is situated near Goma, North Kivu, D.R.Congo. It serves some of the poorest areas by providing general medical care, general surgery, child immunisations, maternity care, rape survivor surgery, dental care and health education. The hospital and the linked health post at Kyezye provide health care to those who would otherwise be unable to afford it. Covering staff and equipment costs are vital to the daily running of the hospital and the health post. When you buy a gift from here you will be helping to save lives.

TEACHERS IN D.R.CONGO

Comfort International pays teachers' salaries at five of our Comfort Congo schools in the North Kivu region of D.R.Congo. These schools cater for children of refugees and displaced people, ex-child soldiers, children of rape survivors, pygmies and poor local children. Class sizes are often very large. Some of the teachers are themselves displaced and live in appalling conditions. The gift of a contribution to a teacher's salary benefits the whole community.

"I became a teacher to help vulnerable children have access to education. I want my pupils to improve their skills and knowledge and hopefully they will become the future leaders of this country."

Jean, Teacher at Walugaba Primary School, D.R.Congo

STREET KIDS RESCUE

Comfort International supports seven growing Street Kids Rescue Projects; four in Rwanda, two in Burundi and one in South Sudan. These are mainly supported by individual sponsorship but there is often a lag time between a child being rescued and a sponsor being found. In that time the cost of medical insurance, food, safe accommodation and clothing needs to be covered. Our aim is that, where possible, these children return to their families where they continue to be supported through the project.

CHRISTMAS PARTY

Christmas Party
£10
gift code SKC07

At Comfort International we love to celebrate! While we celebrate Christmas at home it is great to know that Christmas celebrations are also happening in Rwanda, Burundi and South Sudan amongst those who would not normally be able to afford to celebrate. By choosing this gift you are not only providing funding for an ex-street child to have fun this Christmas but you are also giving them the chance to make memories which will last a life time.

COMFORT TRANSFORMATION CENTRE

There are still far too many homeless children in Rwanda. Comfort International would really like to give many more children the chance of a better future and we are establishing a centre where these children can be fully supported as they recover from the stresses and consequences of homelessness. The centre includes accommodation for up to 80 children and residential staff, a meeting place, a library with computing facilities, a sewing room and emergency housing. By purchasing a gift from here you will be helping many more children leave the dangers of homelessness and move forward into a much brighter future.
